

YOUTH MINISTRY at BMT

Did you notice that we didn't call it YOUTH GROUP? There's a reason for that. Here at BMT - teens working with teens, teens working with adults, and teens working with an eye for growing as YOUNG MEN AND WOMEN FOR CHRIST participate in programs that have fun within the walls of BMT and reach out beyond the walls to have a good time and to serve others.

WHO IS INVITED: Any young person grade 5- 12. There are opportunities to work together and to meet separately. The point is to allow young people to share with friends: making new friends does not necessarily mean you leave old friends behind.

WHAT DO WE DO: Movie nights, game nights, LIFT, special events (if you help to plan them), liturgy, prayer, praise, food, fun, fellowship. **TIME: 7:00PM -8:30PM**
3 Friday Nights+ each month. They are sign –in events.. So once you are here we ask that you stay until the event ends. What happens if you have sports or play practice? Don't worry. You can always catch up with us when your particular "gig" ends.

We are looking for Role playing games – - and there are good ones out – there – but – hey we're Christians – so killing people probably ought not to be the goal – check with your friends and help us find one.
